

Through her Sex and Sexuality column in the Saturday Punch Newspaper and through a variety of other channels and platforms, Mrs Akingbade has been able to carve a niche for herself as the woman to look on to when it comes to issues relating to the place of sex in marriage and among intending couples. Through her practical counselling sessions, she has been able to restore broken homes and bring back alive relationships that had been written off as hopeless. A seasoned minister of the gospel, Funmi is a widely sought after speaker at local and international seminars, conferences and conventions.

Funmi is married to Apostle Ayo Akingbade, a known healing evangelist. Their marriage is blessed with children.
