

MAY WE HELP YOU IN YOUR SEARCH FOR LIFE PARTNER?

As a living, Holy-Spirit controlled congregation, House of God Fellowship Church is resolutely committed to helping young people (Spinsters and Bachelors) locate themselves for God's directed marriage.

**“Don’t marry the person you want to live with, marry the one you cannot live without”.
Marriage is more than what you think it is; you need to know, we need to see you.**

1. Any marriage that must be God's will, must conform to scriptural procedures.
2. People desiring to go into marriage through the charitable assistance of the House of God Fellowship Church, must subject themselves to knowing what marriage entails, what it means to be a wife or husband, and the responsibility of couples to raise a family, as well as family responsibility to the society.
3. House of God Fellowship Church does not charge anything whatsoever to offer this assistance. We actually go for the type of service to humanity where majority of people think it cannot be done without compromising.
4. You want a wife, you want a husband, have you ever thought of or can you show how prepared you are for this great institution called “marriage”? We intend to prepare you for this!.
5. Sometimes, good things come our way, but because of the avallence of deception occasioned by huge appetite for materialism, we dismiss the good thing with a wave of hand, saying, “rubbish, it's a scam,” etc. For us at the House of God Fellowship Church, we want to help, and truly we want to help people.

If you want to benefit from our initiative, please send to us in confidence your correct email address, GSM number, and your full name as soon as possible to enable us invite you to our programmes designed essentially to help you.
